Amendment 4
Sabine Verheyen

Motion for a resolution
Recital B

Motion for a resolution

B. whereas the AVMSD is based on the principle of technological neutrality and ***thus covers all services with audiovisual content irrespective of the technology used to deliver the content, guaranteeing a level playing field for all audiovisual media service providers;***

Amendment

B. whereas the AVMSD is based on the principle of technological neutrality and ***guarantees a free flow of audiovisual media services as an internal market instrument, whilst taking into account the nature of these services as cultural goods as well as their special importance to society, democracy, freedom of expression, freedom of information and diversity of opinion;***

Or. de

Amendment 5
Helga Trüpel

Motion for a resolution
Recital C

Motion for a resolution

C. whereas the AVMSD ***guarantees*** a free flow of audiovisual media services as an internal market instrument ***reflecting*** the right to freedom of expression and information ***and*** protecting public interest ***objectives;***

Ramon Tremosa i Balcells

Motion for a resolution

Recital C

Motion for a resolution

C. whereas the AVMSD guarantees a free flow of audiovisual media services as an internal market instrument reflecting the right to freedom of expression and information and protecting public interest objectives;

Amendment

C. whereas the AVMSD guarantees a free flow of audiovisual media services as an internal market instrument reflecting the right to freedom of expression and information and protecting public interest objectives; ***however, the AVMSD should be reformed to ensure that this freedom of expression is not misused to make statements in favour or in sympathy of totalitarian regimes***;

Or. en

Amendment 8
Sabine Verheyen

Motion for a resolution
Recital D

Motion for a resolution

D. whereas the AVMSD aims to safeguard cultural diversity *by promoting* European audiovisual works;

Or. de

Amendment 11

Nadja Hirsch, Morten Løkkegaard, Marietje Schaake, Hannu Takkula

Motion for a resolution

Recital D b (new)

Motion for a resolution

Amendment

Db. whereas the goal should be a level playing field, as the different levels of regulation for linear and non-linear services are no longer recognisable for consumers and this can therefore lead to distortions of competition;

Or. de

Amendment 12

Nadja Hirsch

Motion for a resolution

Recital D c (new)

Motion for a resolution

Amendment

Dc. whereas self-commitment measures, especially in the wake of media convergence, can provide more effective protection of consumers and minors within the meaning of the AVMSD than legal measures and they can also serve as an indication of quality for consumers;

Or. de

Amendment 13

Nadja Hirsch, Marietje Schaake

Motion for a resolution

Recital E

Motion for a resolution

E. whereas *the audiovisual media services markets continue to experience significant changes in technology as well as developments in* business practices and models, *influencing* the way content is delivered and accessed by viewers;

Amendment 14

Nadja Hirsch, Marietje Schaake

Motion for a resolution

Recital F

Motion for a resolution

F. whereas the accessibility of audiovisual media services is essential for guaranteeing the *right of persons with a disability and of the elderly to participate and be integrated* in the social and cultural life of the EU, in particular *with the development of new* content *delivery* platforms such as IPTV and Connected TV;

Amendment

F. whereas the accessibility of audiovisual media services is essential for guaranteeing the *participation of all European citizens, regardless of whether they have a disability*, in social and cultural life *in* the EU, in particular *as regards their access to* content *via* platforms such as IPTV and Connected TV;

Or. de

Amendment 15

Nadja Hirsch, Morten Løkkegaard, Hannu Takkula

Motion for a resolution

Recital H

Motion for a resolution

H. whereas ***the on-going*** technological ***changes have made*** the protection of minors ***an even more pressing and challenging issue***;

Amendment

H. whereas technological ***convergence means that controlling*** the protection of minors ***can no longer be guaranteed without the unreasonable curtailment of Internet freedom***; ***relies therefore on players to commit themselves to ensuring a high level of protection for minors, which can also serve as an indication of quality for consumers***;

Or. de

Amendment 16
Marietje Schaake

Motion for a resolution
Recital H

Motion for a resolution

H. whereas the on-going technological changes ***have made*** the protection of minors an even more pressing and challenging issue;

Or. de

Amendment 20
Piotr Borys

Motion for a resolution
Recital I a (new)

Motion for a resolution

Amendment

Ia. whereas the transposition of Article 13 of the AVMSD on the promotion of

European works by on-demand services is not prescriptive enough in most Member States to meet the cultural diversity objective the directive is entrusted with;

Or. en

Amendment 21
Nadja Hirsch, Marietje Schaake

Motion for a resolution
Recital J

Motion for a resolution

J. whereas a full assessment of the implementation of the AVMSD as well as a thorough evaluation of its effectiveness cannot therefore *be carried out*;
