## MOTION FOR A EUROPEAN PARLIAMENT RESOLUTION

**on the Council position on Draft amending budget No 6/2013 of the European Union for the financial year 2013, Section III – Commission (00000/2013 – C7-0000/2013 – 2013/2151(BUD))**

*The European Parliament,*

- having regard to Article 314 of the Treaty on the Functioning of the European Union and Article 106a of the Euratom Treaty,
  - having regard to Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council of 25 October 2012 on the financial rules applicable to the general budget of the Union and repealing Council Regulation (EC, Euratom) No 1605/2002<sup>1</sup> ("Financial Regulation"),
  - having regard to the general budget of the European Union for the financial year 2013, as definitively adopted on 12 December 2012<sup>2</sup>,
  - having regard to Council Decision 2007/436/EC, Euratom of 7 June 2007 on the system of the European Communities' own resources<sup>3</sup>,
  - having regard to Draft amending budget No 6/2013, which the Commission submitted on 10 July 2013 (COM(2013)0518) and amended on 18 September 2013 by amending letter (COM(2013)0655),
  - having regard to the position on Draft amending budget No 6/2013 which the Council adopted on 21 October 2013 and forwarded to Parliament on the same day (00000/2013 – C7-0000/2013),
  - having regard to Rule 75b and 75e of its Rules of Procedure,
  - having regard to the report of the Committee on Budgets (A7-0000/2013),
- A. whereas Draft amending budget (DAB) No 6/2013, as amended on 18 September 2013 by the Commission by amending letter, concerns a revision of the forecast of Traditional Own Resources (TOR, i.e. customs duties and sugar sector levies), VAT and GNI bases, the budgeting of the relevant UK corrections, and a revision of the forecast of other revenue arising from fines, thereby resulting in a change in the level and distribution between Member States of their own resources contributions to the Union budget,
- B. whereas DAB 6 also covers the creation of the necessary budgetary structure to accommodate the creation of the Union trust funds foreseen in Article 187 of the Financial Regulation,

- C. whereas this DAB is crucial to avoid cash shortages that could lead to an implementation deficit in 2013,
1. Takes note of DAB No 6/2013, presented by the Commission on 10 July 2013, as amended by the amending letter of 18 September 2013, which provides for a revision of the forecast of Traditional Own Resources (TOR, i.e. customs duties and sugar sector levies), on the basis of Commission's best estimates and certain other developments, as well as the further revision of the forecast of other revenue, arising from a series of fines that have become definitive and can therefore be budgeted;
  2. Notes that the drop in TOR forecast, by some EUR 3 955 million, and in the VAT based own resource, by EUR 384 million, is compensated by the above-mentioned fines for a cumulated amount of EUR 1 229 million;
  3. Notes that this mechanically results in an increase in the complementary GNI based contributions from Member States, by an amount of EUR 3 110 million, i.e. a net increase in "national contributions" (including VAT) by EUR 2 736 million;
  4. While acknowledging the significant burden that this will represent for national budgets, underlines that this technical adjustment on the revenue side should not come at the expense of fully covering justified payment needs, notably due to the artificial under-budgeting of previous years, as strongly requested by Council; stresses, in this respect, that the accumulation of annual budgets for the period 2007-2013 reaches a level that is by EUR 60 billion inferior to the agreed MFF ceilings, while an additional surplus of EUR 12 billion has returned to Members States;
  5. Approves the Council position on Draft amending budget No 6/2013;
  6. Instructs its President to declare that Amending budget No 6/2013 has been definitively adopted and arrange for its publication in the Official Journal of the European Union;
  7. Instructs its President to forward this resolution to the Council, the Commission and the national parliaments.
