Paragraph 17 a (new)

Motion for a resolution

Amendment

17a. Underlines the substantial financial contribution of the CAP to the environmental objectives of the Union; recalls that 30 % of CAP direct payments (EUR 73 billion for the period 2014-2020) are conditional on fulfilment of greening requirements, while around half of rural development funds are dedicated to improving ecosystems (46 % or EUR 56 billion for the period 2014-2020) or to promoting resource efficiency and transition to low-carbon agricultural activities (8 % or EUR 9.7 billion for the period 2014-2020);

Paragraph 27

Motion for a resolution

Amendment

27. Acknowledges the progress on reducing certain atmospheric pollutants, particularly in urban areas, but regrets the persistent problems with air quality, to which emissions from road transport and **agriculture** are a significant contributory factor; acknowledges the ‘mobility package’ presented by the Commission in November 2017 and the European Strategy for Low Emission Mobility presented in 2016, which could pave the way for low-emission mobility within the Union;
