EU-Morocco Agreement on the amendment of Protocols 1 and 4 to the Euro-Mediterranean Agreement (Resolution)
(2018/0256M(NLE))

Motion for a resolution**Paragraph 26***Motion for a resolution**Amendment*

26. Emphasises that a key criterion for Parliament before giving its consent to the agreement is to ensure that a mechanism ***will be put*** in place for Member States' ***customs authorities to have access to reliable information on*** products originating in Western Sahara and imported into the EU, in full compliance with EU customs legislation; ***emphasises that such a mechanism will make available detailed and disaggregated statistical data provided timely on such exports; recognises the efforts made by the Commission and Morocco to try to find a solution to this request and calls on them to implement such a mechanism; calls on*** the Commission to use all corrective measures available should the implementation of the agreement not be satisfactory;

26. Emphasises that a key criterion for Parliament before giving its consent to the agreement is to ensure that a ***reliable traceability*** mechanism ***is*** in place ***in order for EU consumers and*** Member States ***to clearly identify*** products originating in Western Sahara and imported into the EU, in full compliance with EU customs ***and consumer protection*** legislation; calls on the Commission to use all corrective measures available should the implementation of the agreement not be satisfactory; ***calls on the Commission to present to Parliament an annual evaluation to assess the conformity of this mechanism with EU customs and consumer protection legislation;***
