

European Parliament  
Information Office  
in Edinburgh

What does the Information Office in Edinburgh do?

- provides information on the European Parliament's work to the public;
- promotes public awareness of the European Parliament's role in the formulation, adoption and oversight of European Union policies;
- promotes inter-parliamentary contacts between the EU and the Scottish Parliament;
- facilitates contact between the European Union and the Scottish Government;
- co-operates with the Scottish media on coverage of the European Union;
- informs and cooperates with civic society in Scotland: local government, non-governmental organisations, education sector, representative institutions, business;
- assists and advises the European Parliament and its UK Office in matters relating to Scotland.
