COMMISSION DELEGATED REGULATION (EU) .../...

of 30.10.2018

amending Delegated Regulation (EU) No 807/2014 supplementing Regulation (EU) No 1305/2013 of the European Parliament and of the Council on support for rural development by the European Agricultural Fund for Rural Development (EAFRD) and introducing transitional provisions

EXPLANATORY MEMORANDUM

1. CONTEXT OF THE DELEGATED ACT

All simplification choices for support for rural development were made in the so-called “Omnibus Regulation”, Regulation (EU) 2017/2393 amending the EAFRD Regulation (EU) No 1305/2013. The purpose of this amendment is to align the following elements regulated in the Commission Delegated Regulation (EU) No 807/2014 with the “Omnibus Regulation”:

- **Young farmer:** according to the new definition of 'young farmer'¹ the setting up solely or jointly with other farmers is already embedded in the basic act. For simplification purposes and in order to avoid repetition with the basic act, an amendment of Article 2 is proposed.
- **Commercial loans to mutual funds:** in the “Omnibus Regulation” it was decided to add an income stabilisation tool, in the form of financial contributions to mutual funds, providing compensation to farmers of a specific sector for a severe drop in their income². Therefore, it is necessary to extend the scope of Article 12 to cover the support in the form of a commercial loan to that new income stabilisation tool for farmers of a specific sector.
- **Eligibility rules for investment measures under the European Agricultural Fund for Rural Development (EAFRD):** common eligibility rules are defined in Article 45 of Regulation (EU) No 1305/2013 on support for rural development by EAFRD and in Article 13 of Commission Delegated Regulation (EU) No 807/2014. However, experience has shown that certain measure-specific eligibility rules, and in particular those for investment measures, limit the uptake of financial instruments in the rural development programmes as well as the flexible use of financial instruments by fund managers. Therefore, it was decided to provide that certain measure-specific eligibility rules do not apply to financial instruments.

2. CONSULTATIONS PRIOR TO THE ADOPTION OF THE ACT

In line with the Communication from the Commission to the European Parliament and the Council on the implementation of Article 290 of the Treaty on the Functioning of the European Union [COM(2009) 673], the Expert Group for Rural Development was consulted on 25 April 2018. The amendment was welcomed by Member States, who either raised no further substantial comments, or raised comments that could be addressed by the Commission.

3. LEGAL ELEMENTS OF THE DELEGATED ACT

This Regulation amends the following provisions of Commission Delegated Regulation (EU) No 807/2014:

- Article 2 *Young farmer* to take into account the new definitions of 'young farmer' and 'date of setting up'.
- Article 12 *Commercial loans to mutual funds* to extend the scope to the support through income stabilisation tool for farmers of a specific sector.
- Article 13 *Investments* to align with the derogations for financial instruments from the EAFRD measure-specific rules for investments. For financial instruments, the

general eligibility rules under Article 42 of Regulation (EU) No 1303/2013³ shall apply.

COMMISSION DELEGATED REGULATION (EU) .../...

of 30.10.2018

amending Delegated Regulation (EU) No 807/2014 supplementing Regulation (EU) No 1305/2013 of the European Parliament and of the Council on support for rural development by the European Agricultural Fund for Rural Development (EAFRD) and introducing transitional provisions

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1305/2013 of the European Parliament and of the Council of 17 December 2013 on support for rural development by the European Agricultural Fund for Rural Development (EAFRD) and repealing Council Regulation (EC) No 1698/2005⁴, and in particular Article 2(3), Article 36(5) and Article 45(6) thereof,

Whereas:

- (1) Commission Delegated Regulation (EU) No 807/2014⁵ supplements Regulation (EU) No 1305/2013. Regulation (EU) 2017/2393 of the European Parliament and of the Council⁶ has amended Regulation (EU) No 1305/2013 by simplifying the general rules governing the European Agricultural Fund for Rural Development (EAFRD). Therefore, the non-essential elements supplementing these general rules should be amended accordingly.
- (2) Rules on the joint setting up of young farmers have been introduced in Article 2(1)(n) of Regulation (EU) No 1305/2013 and a definition of 'date of setting up' has been added in Article 2(1)(s) of that Regulation.
- (3) In Regulation (EU) No 1305/2013, a new Article 39a has been inserted, providing for support to farmers through a sector specific income stabilisation tool.
- (4) The rules on financial instruments have been simplified with the objective to harmonize sector eligibility rules for investment projects supported from EAFRD with the common rules applicable to all European Structural and Investment Funds. In particular, a derogation from certain general eligibility rules applicable to EAFRD investments operations, laid down in Article 45(1) to (3) of Regulation (EU) No

⁴ OJ L 347, 20.12.2013, p. 487.

⁵ Commission Delegated Regulation (EU) No 807/2014 of 11 March 2014 supplementing Regulation (EU) No 1305/2013 of the European Parliament and of the Council on support for rural development by the European Agricultural Fund for Rural Development (EAFRD) and introducing transitional provisions (OJ L 227, 31.7.2014, p. 1)

⁶ Regulation (EU) 2017/2393 of the European Parliament and of the Council of 13 December 2017 amending Regulations (EU) No 1305/2013 on support for rural development by the European Agricultural Fund for Rural Development (EAFRD), (EU) No 1306/2013 on the financing, management and monitoring of the common agricultural policy, (EU) No 1307/2013 establishing rules for direct payments to farmers under support schemes within the framework of the common agricultural policy, (EU) No 1308/2013 establishing a common organisation of the markets in agricultural products and (EU) No 652/2014 laying down provisions for the management of expenditure relating to the food chain, animal health and animal welfare, and relating to plant health and plant reproductive material (OJ L 350, 29.12.2017, p. 15).

1305/2013, has been introduced, while the relevant environmental legislation remains applicable.

- (5) Delegated Regulation (EU) No 807/2014 should therefore be amended accordingly.
- (6) Given that Regulation (EU) No 2017/2393 has amended Regulation (EU) No 1305/2013 as from 1 January 2018, it is appropriate to make applicable as from the same date the corresponding amendments to the Delegated Regulation (EU) No 807/2014,
