**COMMISSION DELEGATED REGULATION (EU) .../...**

**of 12.3.2019**

**amending Regulation (EU) 2016/1076 of the European Parliament and of the Council in  
order to include the Independent State of Samoa in Annex I**

## **EXPLANATORY MEMORANDUM**

### **1. CONTEXT OF THE DELEGATED ACT**

Regulation (EU) 2016/1076 (Market Access Regulation) governs the EU duty-free quota-free import regime for members of the African, Caribbean and Pacific (ACP) Group of States that have concluded negotiations on Economic Partnership Agreements (EPAs) with the EU. The Regulation also lays down a procedure for the application by the European Union of safeguard measures in respect of products originating in such countries.

On 23 April 2018 Samoa and the European Commission concluded negotiations on Samoa's accession to the interim Economic Partnership Agreement (EPA) with the Pacific States<sup>1</sup>.

Following consent of the European Parliament on 29 November 2018, the Council approved the accession of Samoa on behalf of the Union on 6 December 2018. The interim EPA is provisionally applied between the EU and Samoa from 31 December 2018.

As a result, Samoa, which recently graduated from the Least Developed Countries status, should be added to Annex I to the Market Access Regulation in order to ensure the full application of the interim EPA between the EU and the Pacific States already provisionally applied by Papua New Guinea and Fiji since 2009 and 2014 respectively.

The Commission, when preparing and drawing up delegated acts, should ensure a simultaneous, timely and appropriate transmission of relevant documents to the European Parliament and to the Council.

### **2. CONSULTATIONS PRIOR TO THE ADOPTION OF THE ACT**

In accordance with the principles laid down in the Interinstitutional Agreement on Better Law-Making of 13 April 2016<sup>2</sup>, the Commission consulted Member States' experts during its preparatory work on this delegated act.

### **3. LEGAL ELEMENTS OF THE DELEGATED ACT**

Articles 2(2) and 22 of the Market Access Regulation empower the Commission to adopt a delegated act to amend Annex I to this Regulation in order to add states from the ACP Group of States which have concluded negotiations on an Economic Partnership Agreement with the European Union.

The proposed delegated regulation therefore adds Samoa to the list of Annex I of the Market Access Regulation.
