PUBLIC OPINION IN THE EU IN TIMES OF COVID-19 (3rd SURVEY)
FIRST RESULTS
1. 77% of respondents across the EU say: No EU money without full respect of the Rule of Law and democratic values
More than three out of four respondents agree: EU funds should be made conditional upon the national government’s implementation of the rule of law and of democratic values

Q11 To be part of the European Union, Member States agree to share and respect common values including the rule of law (which includes press freedom, independence of justice, fight against corruption, protection of individual rights, etc.). Do you agree or disagree with this statement: The EU should only provide funds to Member States conditional upon their government’s implementation of the rule of law and of democratic principles? (% - EU27)
At least seven in ten respondents agree with this statement in all EU Member States but Czechia—more than half «totally agree» in LU, AT and MT

Q11  To be part of the European Union, Member States agree to share and respect common values including the rule of law (which includes press freedom, independence of justice, fight against corruption, protection of individual rights, etc.). Do you agree or disagree with this statement: The EU should only provide funds to Member States conditional upon their government’s implementation of the rule of law and of democratic principles?

(%)
II. Citizens support a larger EU Budget – and they want this money spent mostly on public health, economic recovery and climate change.
More than every second European thinks that the EU should have a bigger budget to overcome the consequences of the pandemic.

Q9 Which of the following statement is closest to your opinion? (% - EU27)

- The EU should have greater financial means to be able to overcome the consequences of the Coronavirus pandemic: 54 (-2)
- The EU's financial means are sufficient to be able to overcome the consequences of the Coronavirus pandemic: 31 (+1)
- Don't know: 15 (+1)

(Wave 3 (09-10/2020) - Wave 2 (06/2020))
In 20 EU Member States, a majority of the respondents agree that the EU should have a bigger budget to overcome the consequences of the Covid-19 pandemic.
Public health and economic recovery top the list of spending priorities. Climate change joins the top three.

Wave 3 (09-10/2020)

Wave 2 (06/2020)
Public health is the most mentioned answer in 18 countries

Q10  Given the current context, on which of the following would you like the EU budget to be spent? (MAX. 4 ANSWERS)
(% - THE MOST MENTIONED ANSWER BY COUNTRY)
III. A broad majority of citizens fear a direct impact on their personal financial situation – or have already suffered it.
A plurality of respondents (39%) declare that the Covid-19 crisis has already impacted their personal income. A further 27% expect such an impact in the future.

Q17 Thinking about your personal income, which one of these statements comes closest to your current situation? (% - EU27)

- Coronavirus will have no impact on my personal income: 27%
- Coronavirus has not yet impacted on my personal income, but I expect it to in the future: 27%
- Don’t know: 7%
- Coronavirus has already impacted on my personal income: 39%
In 20 countries, most respondents say that the current crisis has already impacted their personal income, topped by Cyprus (57%), Greece, Spain, Romania (all 55%) and Bulgaria (53%).
IV. EU Competences
Two in three respondents agree: The EU should have more competences to deal with crises such as the coronavirus pandemic.

Q7: To what extent do you agree with the following statement: the EU should have more competences to deal with crises such as the Coronavirus pandemic? (% - EU27)

- Totally agree: 19 (-2)
- Tend to agree: 47 (=)
- Tend to disagree: 17 (+2)
- Totally disagree: 8 (=)
- Don't know: 9 (=)

(Wave 3 (09-10/2020) - Wave 2 (06/2020))
Q7 To what extent do you agree with the following statement: the EU should have more competences to deal with crises such as the Coronavirus pandemic?

(\% - TOTAL 'AGREE')

This view is supported by a majority of citizens in all countries but Czechia.
V. Methodology

• Coverage: 27 EU Member States
• Fieldwork dates: 25/09 – 07/10
• Data collection method: Online, using Kantar’s online access panel (26 out of the 27 EU Member States), Telephone in Malta
• Total number of completed interviews: 24,812
• Population:
  16-54: Bulgaria, Czechia, Croatia, Greece, Hungary, Poland, Portugal, Romania, Slovenia, Slovakia
  16-64: Austria, Belgium, Cyprus, Germany, Denmark, Spain, Finland, France, Ireland, Italy, the Netherlands, Sweden, Baltic States and Luxembourg
  16+: Malta
• The total EU is weighted according to the size of the population of each country
