## Work in progress

### CAP tools to reduce price volatility in agricultural markets

Angélique Delahaye (EPP, FR) will present her draft own-initiative report on CAP tools to reduce price volatility in agricultural markets. Among other proposals, the rapporteur asks the Commission to facilitate the introduction of contractual systems by adapting competition law, to improve the tools for risk management and to implement a European agricultural price observatory for various agricultural sectors.

## Votes

### Revision of the MFF 2014-2020: Parliament's input ahead of the Commission's proposal

Peter Jahr (EPP, DE) has prepared an opinion for the AGRI Committee on the post-election revision of the multi-annual financing framework (MFF) for 2014-2020. The opinion highlights the demands of the AGRI Committee on the agricultural budget (Heading 2). In total 131 amendments have been tabled and the rapporteur negotiated 7 compromises with the shadow rapporteurs for the political groups.
