

# Safer chemicals - All for one and one for all...

ENVI Committee Hearing

25 April 2017

Geert Dancet

**Working together at EU level - what are the ultimate benefits?**

## **A better Europe**

- Safer chemicals and products
- Informed and demanding citizens
- Competitive, world leading, sustainable companies
- Effective single market
- Efficient authorities, better use of public money

## **And the practical added value is ....**

- Quality
- Speed
- Transparency
- Independence
- Expertise
- Technology
- Stakeholder oversight and challenge
- Multiple uses of data
- Market predictability

**We really work together from start to finish..**

**Which chemicals are being  
used in Europe?**

**What for?**

**What effect  
do they have?**

# Which are of concern?

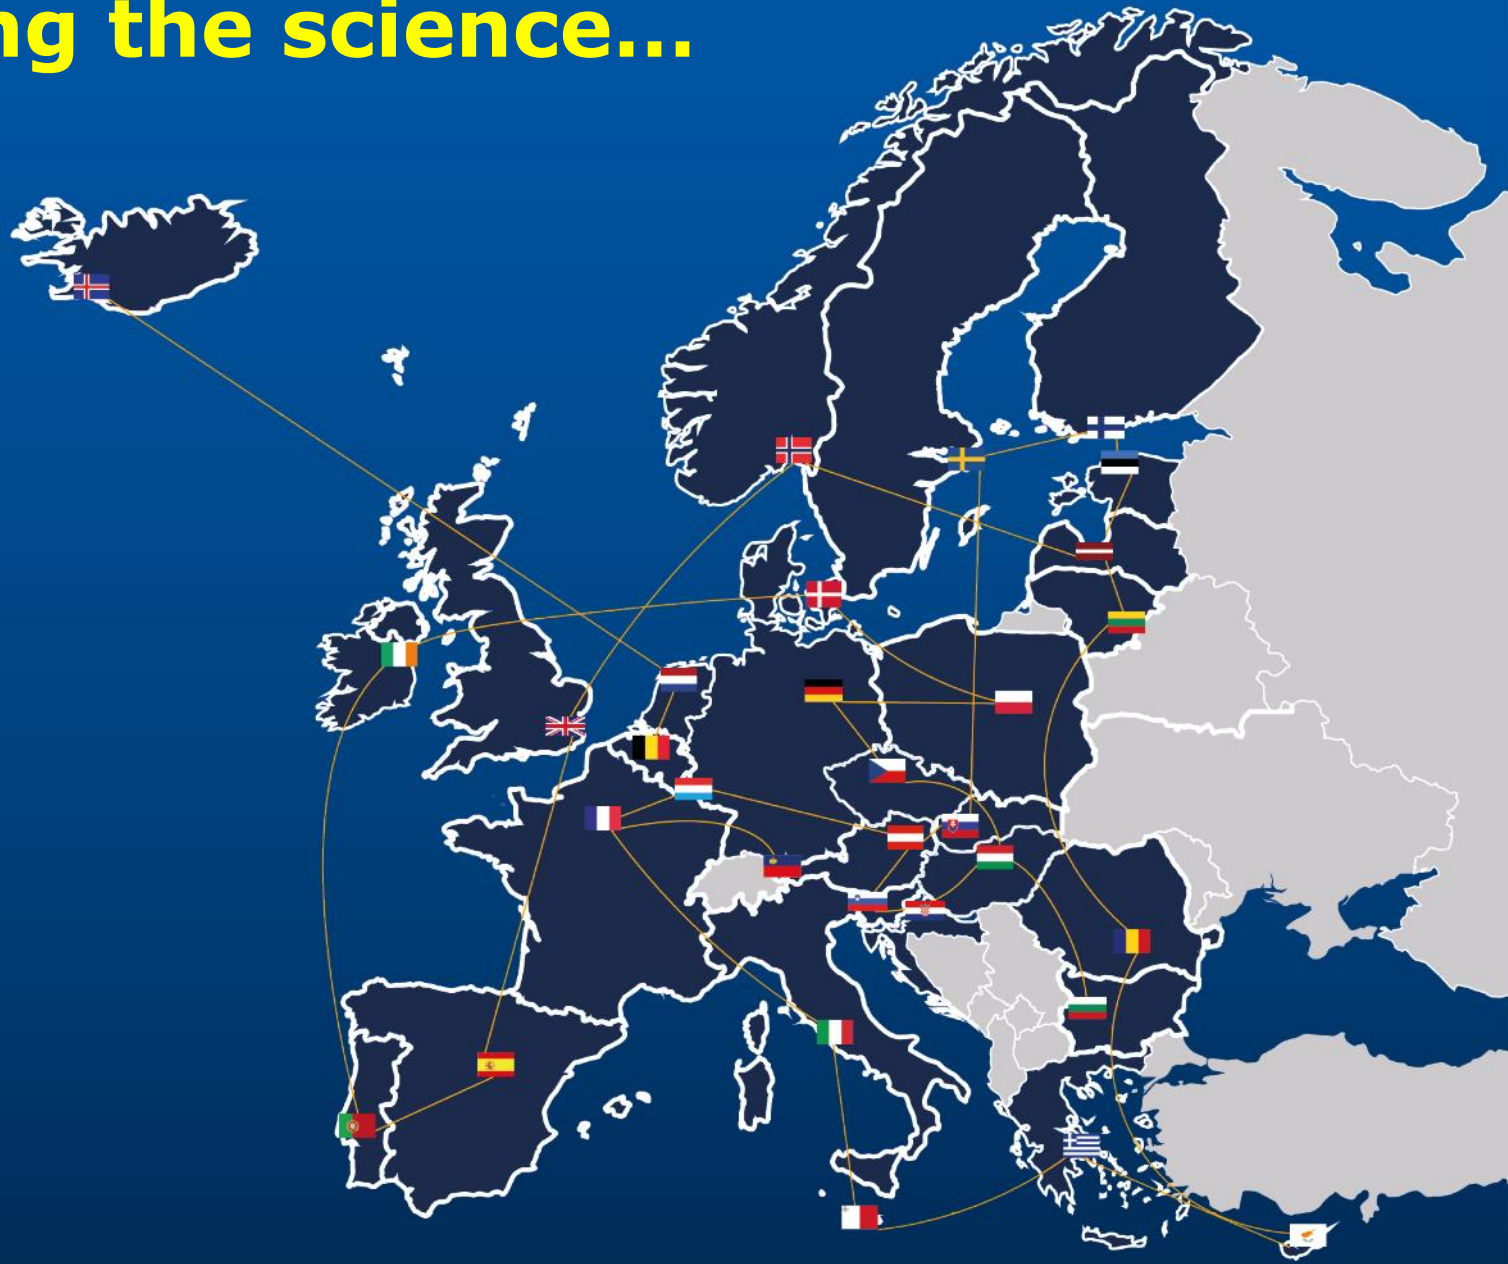

# How best to manage the risks of the most dangerous?

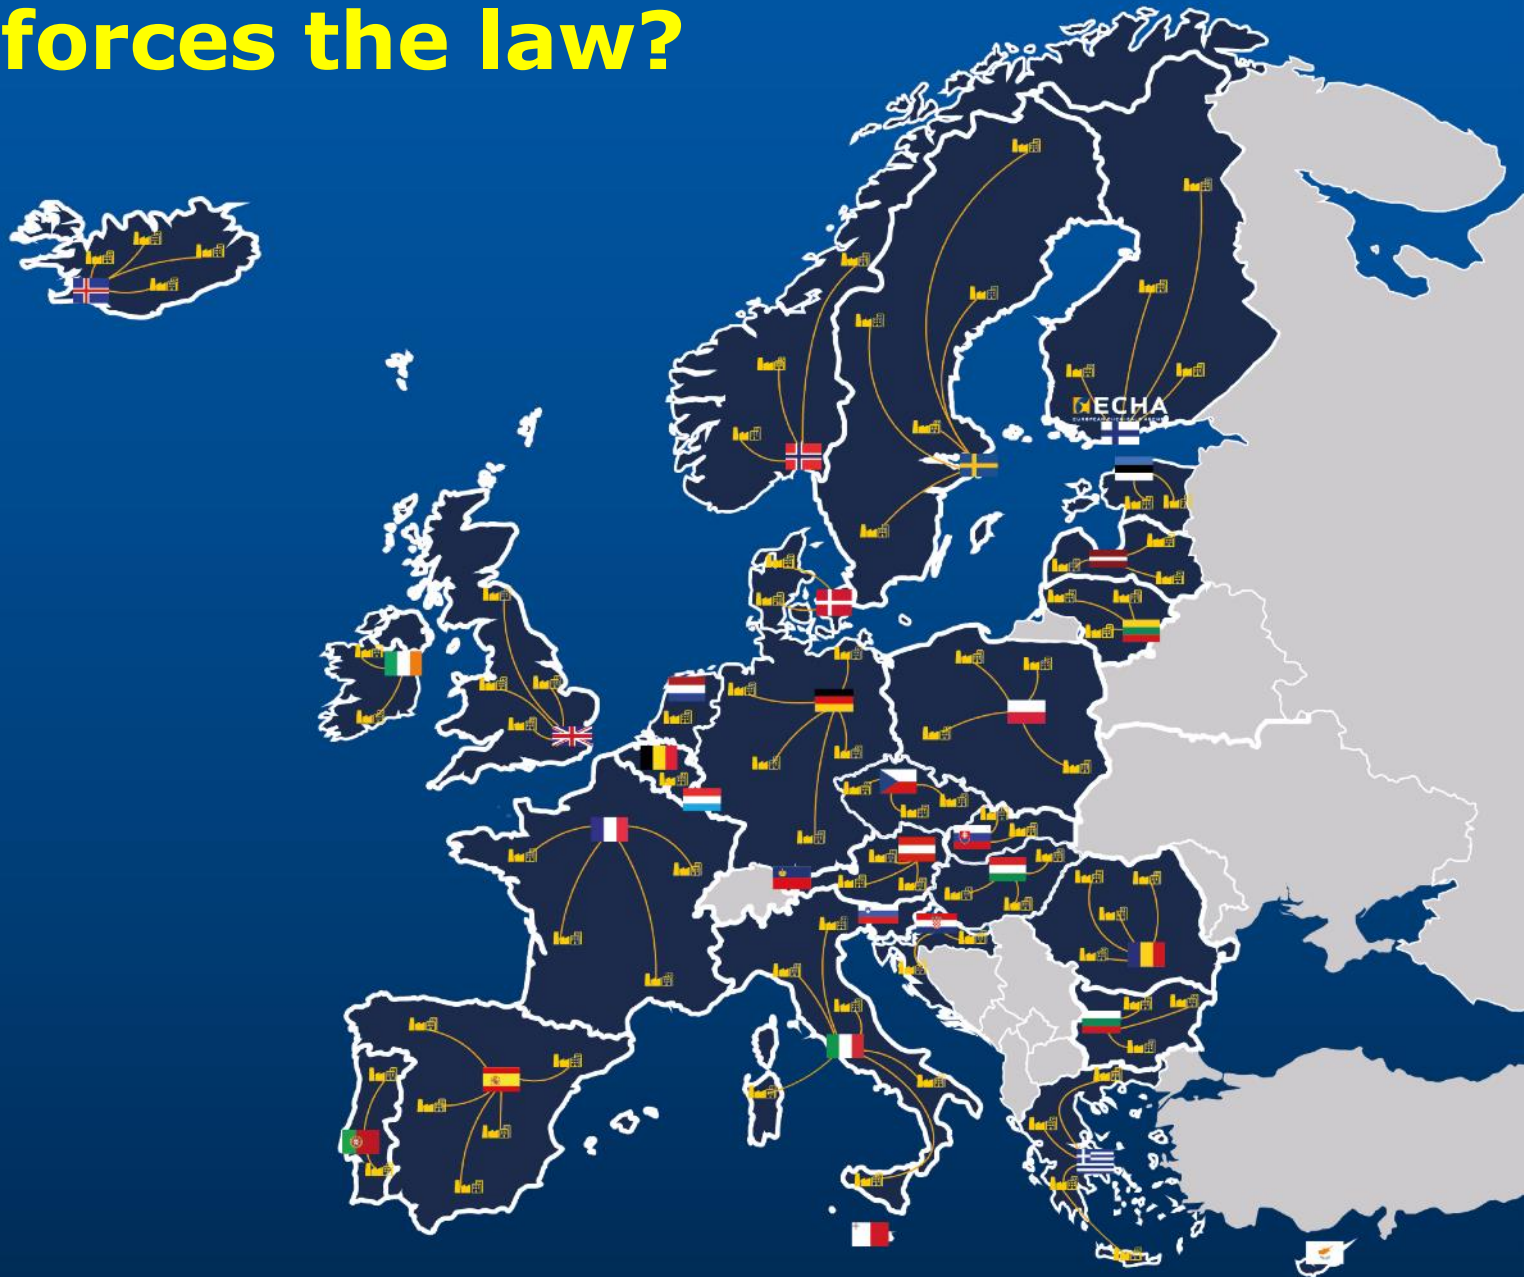

# Reviewing the science...

# Who enforces the law?

Safer chemicals truly is a  
joint effort - All for one  
and one for all
