COMMON CATALOGUE

The screenshot shows a web-based e-procurement platform. At the top, there's a navigation bar with links for Home, Projects, Sourcing, Procurement (which is highlighted in blue), Partners, and Dashboard. Below the navigation, there are three main sections: Internal Catalog Items, Frequently Procured Items, and Recently Procured Items. Each section displays a grid of products with details like item number, name, price, quantity, and supplier. A central modal window titled 'Shopping Cart (1)' is open, showing one item: 'Dell Latitude 630' at 780.00 USD each, quantity 20, and a total of 15,600.00 USD. Below the cart, there are buttons for 'Clear Cart', 'Requisition', 'Order', and 'Submit'. A red arrow points from the text 'Reduced Search Cost' to this 'Requisition' button.

A horizontal bar at the top of the slide has three colored segments: blue, black, and white. To its right, the word "Estonia" is written in a large, white, sans-serif font on a solid maroon background. Below this, the main content area is a light grey rectangle containing three black icons: a monitor displaying a building, a person icon with a list, and a speedometer.
