

Has the single European sky initiative provided more efficiency for European air traffic management

# Is SESAR delivering results?

Brussels  
20 June 2018

Nicolas Warinsko – General Manager  
SESAR Deployment Manager

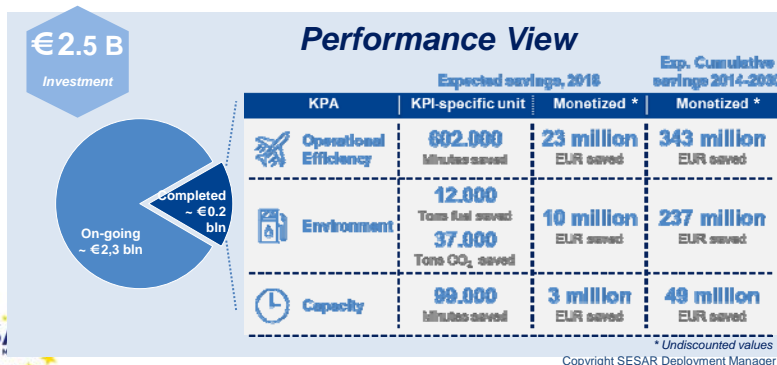

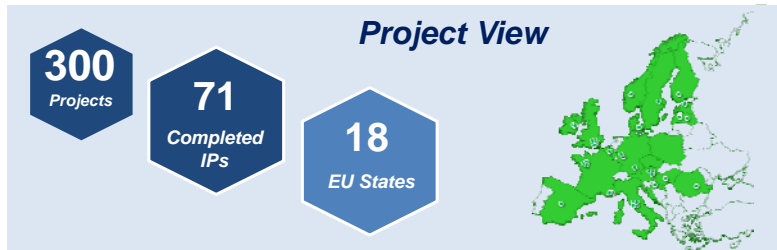

## Partnering

- Airlines
- Airports
- ANSPs
- Military Authorities
- MET Service Providers
- Industry Providers

# Delivering

# Improving

**Focus coordination, synchronisation, incentivisation on:**

- The most essential ATM functionalities to a high-performing Europe's ATM
- SESAR solutions as the most cost and time-to-implement effective enablers
- Optimised European cross-borders infrastructures
  - Defined by a European ATM technical architect
  - Implemented through a limited number of wide multi-stakeholders projects
