Dear Mr Grasser,

On behalf of the Special Committee on Financial Crimes, Tax Evasion and Tax Avoidance (TAX3), I would like to thank you for your participation in the second panel of the public hearing on "Golden visas and other national schemes providing tax privileges (free ports, special economic zones)".

The committee is fully aware of the risks investigative journalists take and highly appreciates their participation in the parliamentary hearings it organises. Committee Members highly valued your presentation and the quality of your answers to their questions.

The hearing, and particularly your contribution, was very valuable and useful for the work of the committee.

Yours sincerely,

Petr Ježek
