Dear Mr Kerfs,

On behalf of the Special Committee on Financial Crimes, Tax Evasion and Tax Avoidance (TAX3), I would like to thank you for your participation in the first panel of the public hearing on "Golden visas and other national schemes providing tax privileges (free ports, special economic zones)".

Your presentation was very informative and provided us with valuable information regarding the potential misuse of "golden visa" schemes to circumvent the Common Reporting Standards. The Members highly valued your presentation and the quality of your answers to their questions.

Your contribution was very useful for the work of the committee.

Yours sincerely,

Petr Ježek
