Za všetkým hľadaj žida. Tým sa nechcem nijako dotknúť tohto etnika. Oni sú v podstate veľmi šikovní, dôslední a ctižiadostiví, hlavne v tom, čo je pre nich dôležité, veď vždy ide o obrovský biznis, teda o milióny USD a o ovládnutie územia. Načo ho ovládnuť vojnou, dá sa to aj jednoduchšie. Cielenou manipuláciu s ľuďmi.
Máme tu prezidentské voľby, voľby do EU parlamentu a o rok voľby do NR SR. Skúsme, narýchlo prebehnúť niektoré fakty a skutočnosť, že majú v podobe mienkotvorných médií, ktoré samozrejme vlastnia, obrovskú moc, ktorou dokážu ovplyvniť myslenie obyvateľstva, ktoré potom vo voľbách volí aj úplne v normálnej krajine nezvoliteľné persóny.

Vast Far-Right Disinformation Networks Discovered Across Europe Ahead of EU Elections

Avaaz investigation uncovers flood of disinformation, triggering shutdown of Facebook pages with over 500 million views ahead of EU elections*

Europe is being drowned in disinformation ahead of EU elections later this week, a groundbreaking investigation from global citizens movement Avaaz has revealed. Mainly far-right disinformation networks were uncovered in France, UK, Germany, Spain, Italy and Poland, posting content that was viewed an estimated 533 million times over the past three months, before finally being removed by Facebook.

The disinformation pages shut down had more than 13 million “interactions” and 6 million followers - almost **three times the number of followers as the pages of the main far-right and anti-EU parties** (Lega, AfD, VOX, Brexit Party, Rassemblement National and PiS) **combined** (2 million). Content from the networks was viewed on average 6 million times a day.

Recommendations

1. Make protection of EU online space integrity a political priority
2. Close gaps in election campaign finance legislation
3. Ensure access to S.M. platforms election ads data for researchers
4. Include political ads into factchecking by FB
5. Significantly increase funding for counter disinformation activities
6. Commission regular research measuring impact
7. Support innovative solutions
