

BIOGRAPHIE

Daniel Dalton

Dan is the Chief Executive of the British Chamber of Commerce | EU & Belgium. Previously, Dan was elected as the Conservative MEP for the West Midlands in January 2015 and stayed in that role until July 2019.

He was the ECR Coordinator for the Internal Market Committee, and also served on the Civil Liberties Committee which allowed him to work directly on breaking down the barriers to trade across Europe, something vitally important for helping British business. Dan played many matches for Warwickshire County Cricket Club 2nd XI and for the cricket board. Afterwards, he worked on the club's and the county board's youth development system. Dan is still a passionate cricket fan.
