

**Martin Neubert, CCO and Deputy Group CEO, Ørsted**

Since February 2021, Martin Neubert has been Chief Commercial Officer and Deputy Group CEO of Ørsted. In this role, Mr. Neubert leads Ørsted's globally market leading offshore wind business, Ørsted's renewable hydrogen/PtX business and its Markets organisation which delivers industry-leading short- and long-term trading and route-to-market energy solutions.

Before taking on the role as CCO, Mr. Neubert was CEO of Offshore from 2018. From 2016-18, he was Chief Strategy Officer and Head of Market & Project Development in Ørsted's Offshore business. From 2014-16, Mr. Neubert was Head of Commercial Transactions & Market Development in Offshore and Head of Group M&A from 2012-14. Mr. Neubert joined Ørsted, at the time known as DONG Energy, in 2008 within Group M&A.

Before joining Ørsted, Mr. Neubert has worked within Private Equity and Corporate Finance for Bain Capital, Ernst & Young and Arthur Andersen.

Mr. Neubert holds a Master's degree in Economics and Finance and a CFA charter.
