Dear colleagues,

We are looking forward to our next ITRE meeting where Mr Thierry Breton, Commissioner for the Internal Market, will join us for a structured dialogue on the activities within his portfolio. The discussion is expected to cover, as a priority, the supply chain and production aspects of the EU’s on-going vaccination strategy. In addition, and equally topically, ITRE Members will be pleased to hear from the Commissioner about the revised industrial strategy communication, focussed substantially on the response to the pandemic, which was adopted by the College on 5 May. Finally, the exchange can also be expected to cover the Commission’s work on SMEs, including the SME envoy, as well as the various digital files within Commissioner Breton’s portfolio.
