Upcoming Studies

The following studies have been requested by the coordinators of the FISC Subcommittee and are being prepared by the Policy Department for Economic, Scientific and Quality of Life Policies:

- “Removal of taxation-based obstacles and distortions in the Single Market in order to encourage cross border investment”
- “The regulation intermediaries, including tax advisors, in the EU/Member States and best practices from inside and outside the EU”

For more information about the work of the Policy Department, please visit the page Supporting Analyses on the FISC Website.

Upcoming Reports

The FISC coordinators have decided to draw up the following reports, which were approved by the Conference of Presidents:
• Legislative own-initiative report on “Fair and simpler taxation supporting the recovery strategy (EP follow-up to the July Commission’s Action Plan and its 25 initiatives in the area of VAT, business and individual taxation)” (Rapporteur: Ludek Niedermayer (EPP))

• Own-initiative report on “A European Withholding Tax framework” (Rapporteur: Pedro Marques (S&D))

• Own-initiative report on “The impact of new technologies on taxation: crypto and blockchain” (EPP, Lidia Pereira)

All reports prepared by the FISC subcommittee are voted in the ECON committee. For an overview of adopted ECON-FISC reports, opinions and resolutions, please visit the page Publications on the FISC Website.

**Upcoming Missions**

The FISC coordinators have decided to organize the following mission:

• Mission to Paris, France (21-25 February 2022, TBC)
