STATEMENT BY THE CHAIR OF THE DELEGATION FOR RELATIONS WITH ISRAEL ON THE LATEST TERROR ATTACK IN ISRAEL

Brussels, 30 March 2022

Last night, five people were killed, in the outskirts of Tel Aviv, in a third terrorist attack in one week, in Israel.

As Chair of the European Parliament Delegation for Relations with Israel, I express my heartfelt condolences to the families of the victims. My thoughts are with the Israeli people, with our partners and friends, in this difficult moment.

I strongly condemn these terror attacks and dreadful crimes. Attacks against civilians are completely unacceptable and should stop immediately.

I am confident that the commitment and concerted efforts to prevent and fight terrorism will prevail.

Terrorism and violent extremism will be defeated.
