ECON: Draft Agenda 31 January 2023

Upcoming study by the Policy Department:

Recent Trends in UK financial sector regulation and possible implications for the EU, including its approach to equivalence

Next committee meetings:

Monday 6 February 2023, 18:45-20:45 (BUDG-ECON)

ECON is responsible for:

- the economic and monetary policies of the Union, the functioning of Economic and Monetary Union and the European monetary and financial system (including relations with the relevant institutions or organisations);
- the free movement of capital and payments (cross-border payments, single payment area, balance of payments, capital movements and borrowing and lending policy, control of movements of capital originating in third countries, measures to encourage the export of the Union's capital);
- the international monetary and financial system (including relations with financial and monetary institutions and organisations);
- rules on competition and State or public aid;
- tax provisions;
- the regulation and supervision of financial services, institutions and markets including financial reporting, auditing, accounting rules, corporate governance and other company law matters specifically concerning financial services;
- the relevant financial activities of the European Investment Bank as part of European economic governance in the euro area.

ECON is assisted by a subcommittee on tax matters (FISC), for tax-related matters and particularly the fight against tax fraud, tax evasion and tax avoidance, as well as financial transparency for taxation purposes.
