³ *Recalls that the Commission's proposal for a European Media Freedom Act of September 2022 establishes a European Board for Media Services to replace the European Regulators Group for Audiovisual Media Services (ERGA) set up by Directive 2010/13/EU; in light of the limited financial resources available for the implementation of the programme's objectives, stresses that the budget allocated to the Media Strand or other programme budget lines must not be allocated for the financing of the Board;*
