3. MOTION FOR A EUROPEAN PARLIAMENT RESOLUTION

with observations forming an integral part of the decision on discharge in respect of the implementation of the budget of Eurojust for the financial year 2013 (2014/2103(DEC))

The European Parliament,

- having regard to its decision on discharge in respect of the implementation of the budget of Eurojust for the financial year 2013,
 - having regard to Rule 94 of and Annex V to its Rules of Procedure,
 - having regard to the report of the Committee on Budgetary Control and the opinion of the Committee on Civil Liberties, Justice and Home Affairs (A8-0000/2015),
- A. whereas, according to its financial statements, the final budget of Eurojust for the financial year 2013 was EUR 33 828 256,
- B. whereas the Union's contribution for the financial year 2013 to the Eurojust budget amounted to EUR 32 358 660, representing a decrease of 1,85 % compared to 2012,
- C. whereas the Court of Auditors, in its report on the annual accounts of Eurojust for the financial year 2013 (“the Court’s report”), has stated that it has obtained reasonable assurances that Eurojust's annual accounts are reliable and that the underlying transactions are legal and regular,
- D. whereas Eurojust was set up with a view to stepping up the fight against serious organised crime and with the objective of improving the coordination of cross-border investigations and prosecutions between Member States, and also between Member States and third countries,

Follow-up of 2012 discharge

1. Notes from the Court’s report that regarding two comments made in the Court's 2011 report and marked as “Ongoing” or “Outstanding” in the Court’s 2012 report, corrective actions were taken and one comment is now marked in the Court's 2013 report as "Completed" and one as "Ongoing"; notes, furthermore, that regarding the two comments made in the Court's 2012 report, corrective actions were taken and one comment is now marked as "Completed" and one as "Not Applicable";
2. Acknowledges from Eurojust that it has introduced a number of measures to reduce the automatic carry-overs of commitment appropriations, including a new forecasting report and mandatory “Expenditure Lifecycle” training for all actors involved in the budget implementation;

Budget and financial management

- Notes from the Court's report that the level of committed appropriations for the different titles varied between 99 % and 98 % of total appropriations, indicating that legal commitments were made in a timely manner;

Commitments and carry-overs

- Notes with concern that the level of committed appropriations carried over was high for Title III (Operational expenditure) at EUR 2 341 825 or 32 %; acknowledges that the high level is mainly explained by the handover of internal software management to a new service provider at the year-end;

Transfers

- Notes with concern that in 2013 Eurojust made 49 budget transfers, affecting 101 budget lines, indicating weaknesses in budget planning and implementation;

Procurement and recruitment procedures

- Acknowledges from Eurojust that its recruitment procedures were changed following the Court's recommendations; notes that the procedures now ensure that the questions for tests and interviews are prepared before the examination of the applications by the Selection Board and that the weight values between written tests and interviews are defined before the screening of candidates;

Prevention and management of conflicts of interests and transparency

- Acknowledges from Eurojust that it confirms its intention to review its arrangements for the prevention and management of conflicts of interests on the basis of the Commission's Guidelines on the Prevention and Management of Conflict of Interest in EU Decentralised Agencies; calls on Eurojust to inform the discharge authority about specific measures taken and planned in this regard;
- Acknowledges from Eurojust that the CVs of the Members of the Eurojust Management Board and of the Administrative Director are publicly available on the Eurojust website; notes that approval from the Eurojust Management Board for the template for the declaration of interests is pending; calls on Eurojust to inform the discharge authority about the progress made in this regard as soon as possible;

Internal audit

- Takes note that in 2013 the Commission's Internal Audit Service (IAS) conducted an audit to provide re-assurance that the control systems in Eurojust are adequate to manage material risks;
- Is concerned that in the course of the risk analysis, the IAS identified certain processes of high inherent risk which could not be considered as auditable within the audit plan as controls assessed were absent or insufficient; notes that Eurojust management submitted an action plan to address these weaknesses, which is considered appropriate and will be followed-up by the IAS during its next in-depth risk assessment;
- Acknowledges that in 2013 the IAS also performed a desk review to follow-up on the implementation of its earlier recommendations; notes that at year-end no critical

recommendations were open and that the implementation of one recommendation rated as "Very Important" was delayed in respect to the original plan while the second "Very Important" recommendation was considered closed;
