

THE COMMISSION PROPOSAL FOR AN IIA ON BETTER REGULATION – A MISSED OPPORTUNITY

William Robinson

Institute of Advanced Legal Studies, London

Introduction

Legislative authority to take 'ownership' of EU legislation

Establish a framework for EU regulation that is:

- Fit for purpose
- Comprehensive and accessible

Joint oversight body

Ownership

Legislative authority to lay down ground rules for EU regulation

All technical aspects

To cover also all Commission acts

Fit for purpose

Framework for EU regulation is a
confused patchwork

Old and outdated

Incomplete

Comprehensive and accessible

All the ground rules in one place

All those involved in the legislative process can understand their role and the rules that apply

EU citizens and businesses have an overview

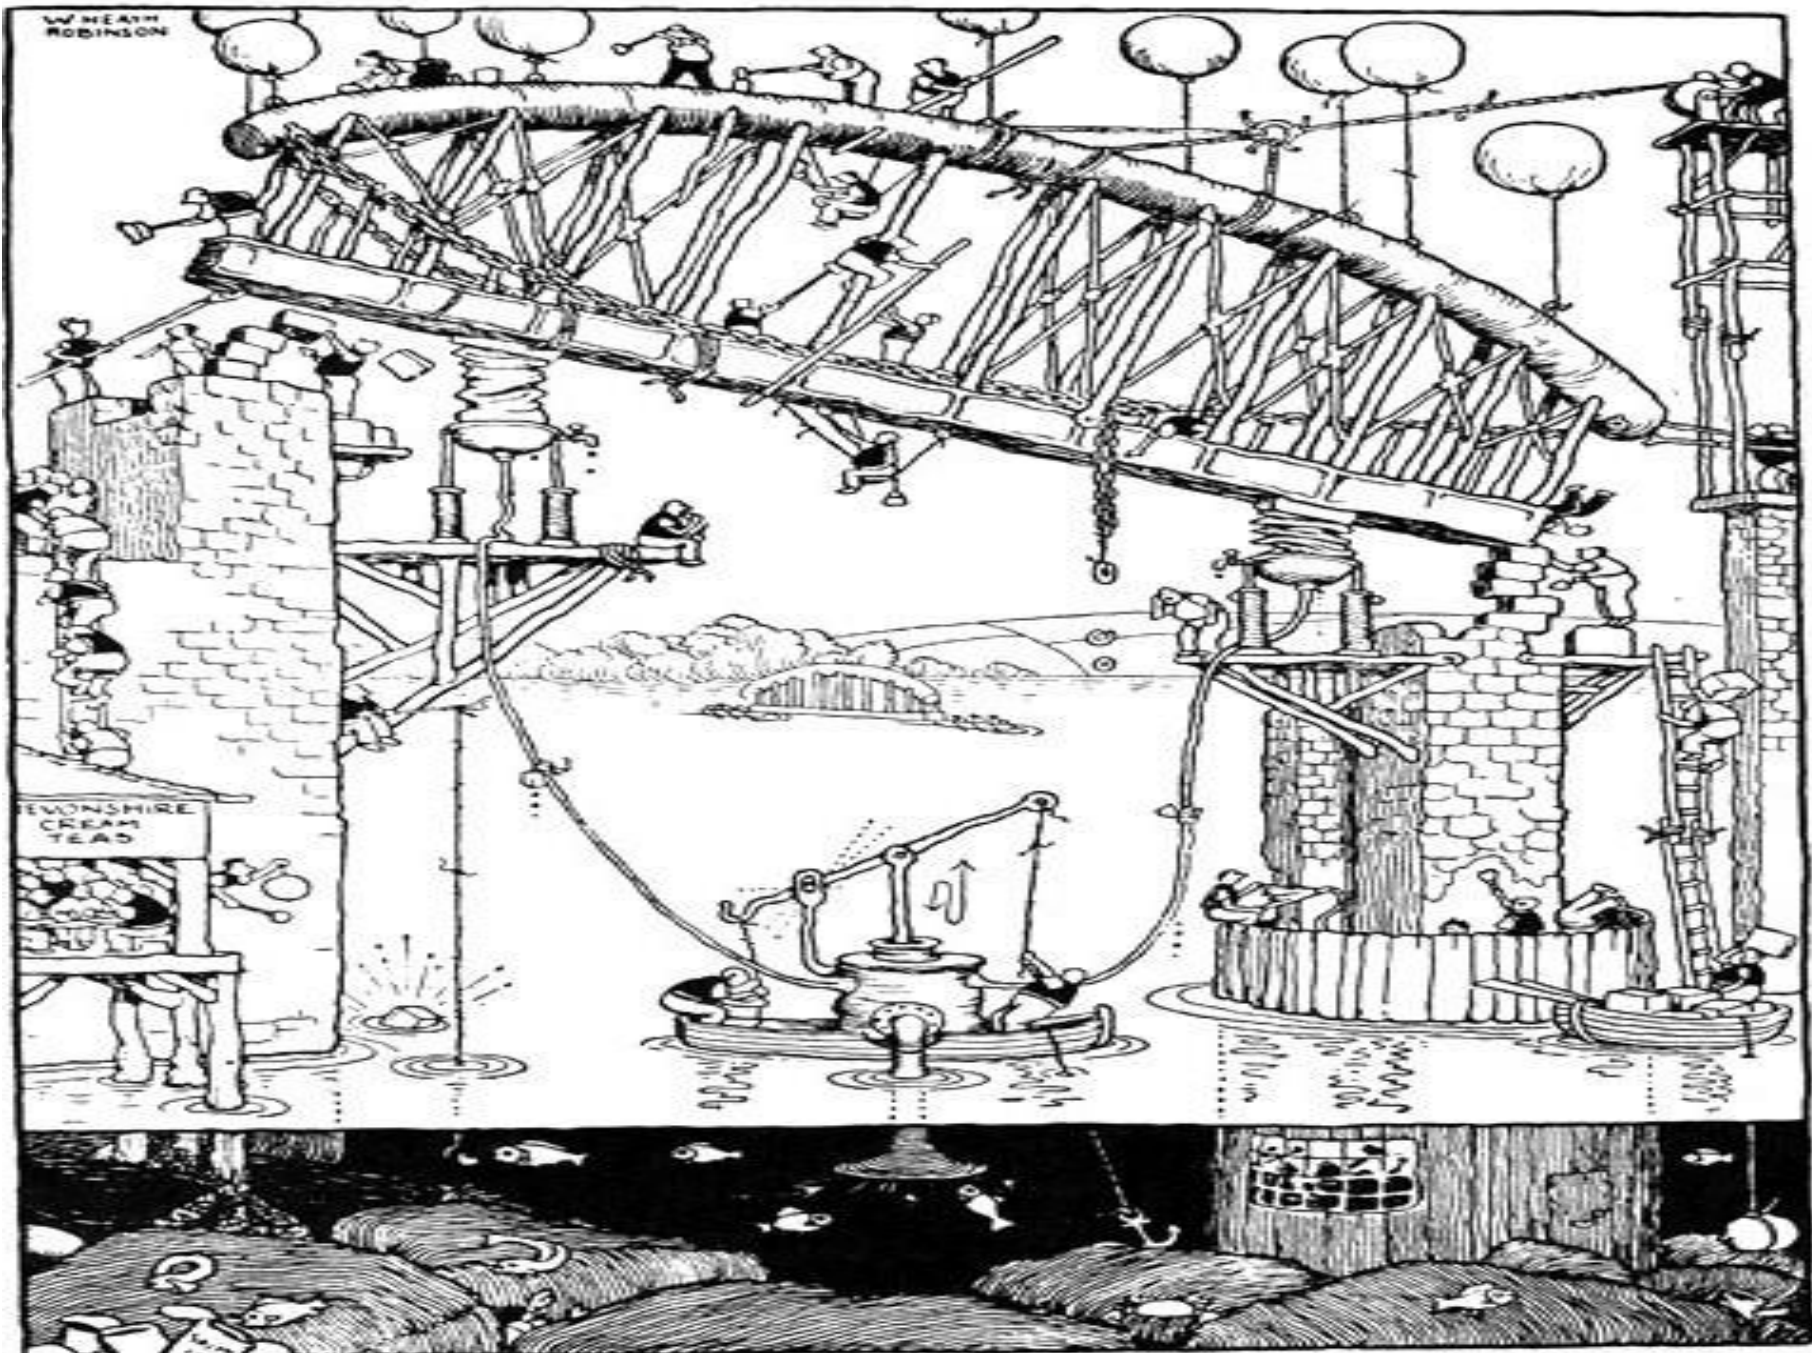

Joint oversight body

Coordination

Monitoring

Updating
