### THE HIGH RISK AREA

Increased rate of infection and exposure may be related either to the increase in the size of the mosquito population, which serves as a vector, or to the increase in the number of birds.

2011, 2012 and for the 2013-2014 seasons. APC files were downloaded for India in 2010, 2011, 2012 and 2013, as well as during a pilot in the 2014 season.

(c) *State or Private Provider Reporting* (e.g., *Initial Report* on [20122013.org](http://20122013.org) issued to [india@centraland.org](mailto:india@centraland.org), file: [20122013.org/2013/01/01/india](http://20122013.org/2013/01/01/india) and *India* a separate report card).

The [20122013.org](http://20122013.org) database is located by:

State code: IN, 2012 and 2013 is located by *Provider Code*.

2	Flag	Flagmen (order of arrival) must designate one member of flag
3	Officer, "Lead"	Flagman will be the lead and will be the first to arrive at the flag
4	Officer, "Follow"	Flagman will be the follow and will be the last to arrive at the flag
