

*Sale of goods and supply of digital content – two worlds apart?*

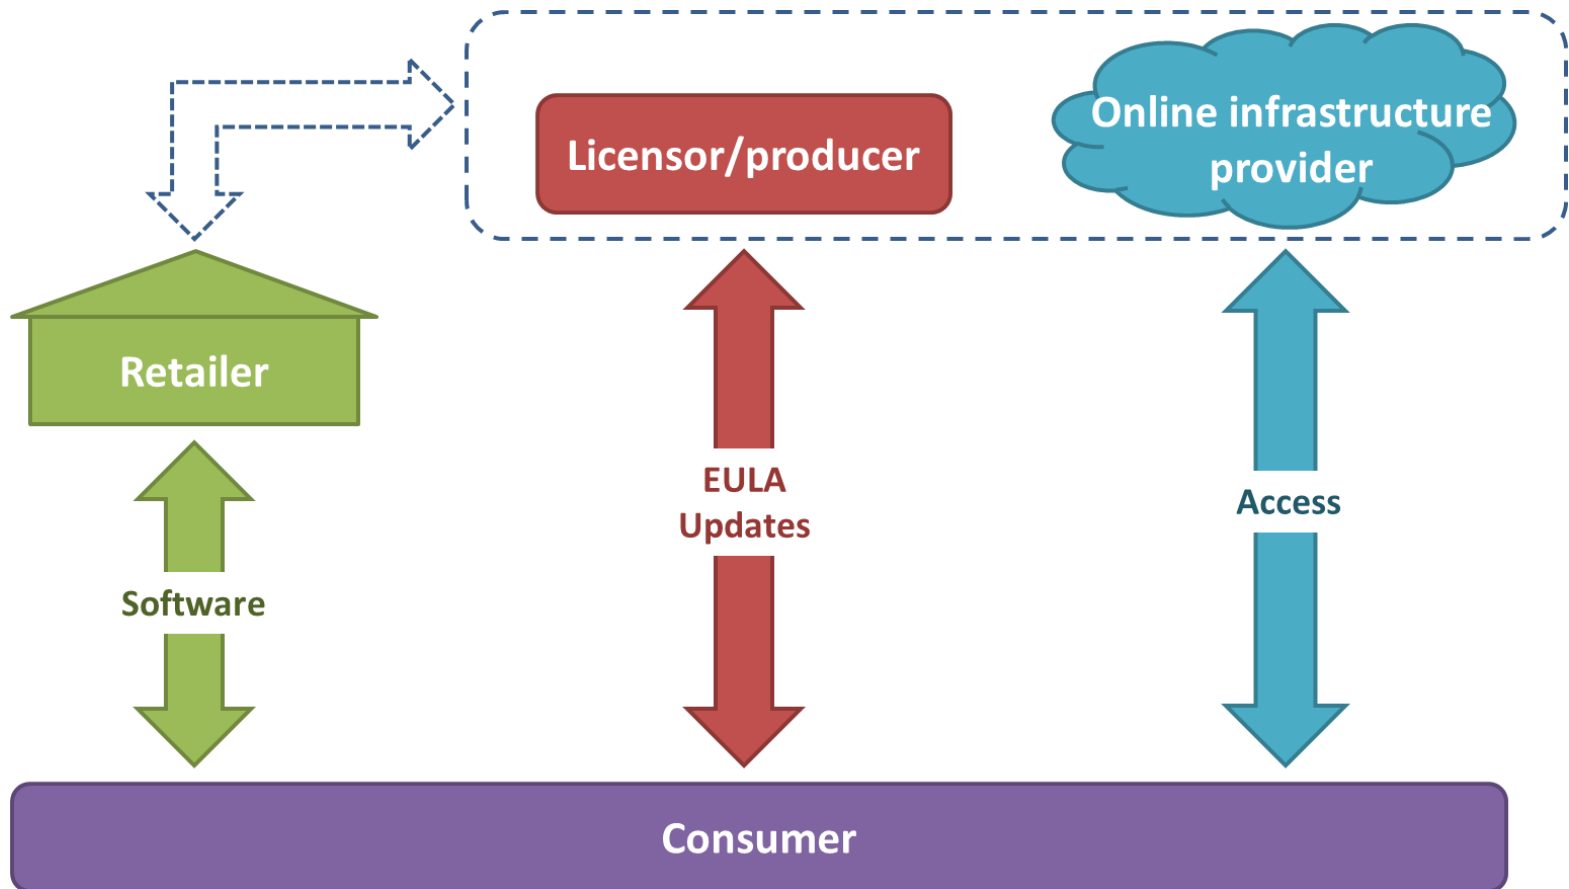

**Workshop on New rules  
for contracts in the digital  
environment**

## Problems to be addressed

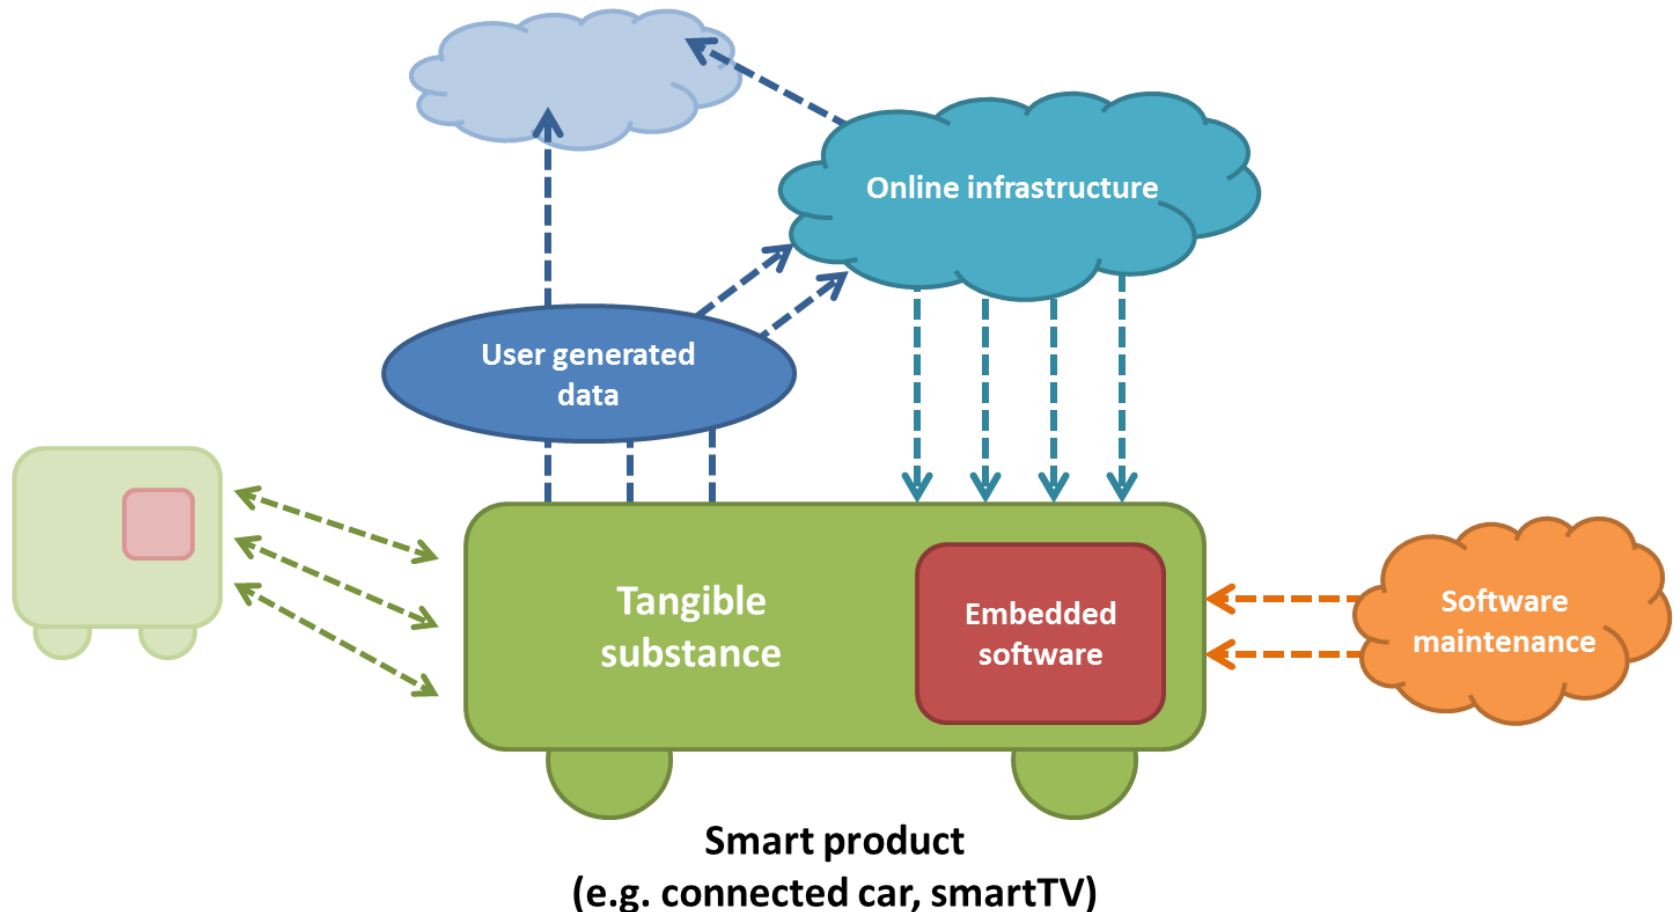

---

- Implications of targeted full harmonisation
- Fragmentation of consumer contract law
- Definition of conformity with the contract
- Damages
- Time limits
- Termination
- Omission / exclusion of important issues
- ....

# Supply in reality: multi-party and multi-contract relationships

# Digital content and tangible goods – two worlds apart?

# Presentation by
