IMPORTANT NOTICE

What is the Application Form?
The Application Form is the template for EU grants applications; it must be submitted via the EU Funding & Tenders Portal before the call deadline.
The Form consists of 2 parts:
• Part A contains structured administrative information
• Part B is a narrative description of the action.
Part A is generated by the IT system. It is based on the information which you enter into the Portal Submission System screens.
Part B needs to be uploaded as PDF (+ annexes) in the Submission System. The templates to use are available there.

How to prepare and submit it?
The Application Form must be prepared by the beneficiary and submitted by a representative. Once submitted, you will receive a confirmation.

Character and page limits:
• page limit: 10 pages
• supporting documents can be provided as an annex and do not count towards the page limit
• minimum font size — Arial 9 points
• page size: A4
• margins (top, bottom, left and right): at least 15 mm (not including headers & footers).

Please abide by the formatting rules. They are NOT a target! Keep your text as concise as possible. Do not use hyperlinks to show information that is an essential part of your application. If you have worked with track changes, please submit a clean document.

⚠️ If you attempt to upload an application that exceeds the specified limit, you will receive an automatic warning asking you to shorten and re-upload your application. For applications that are not shortened, the excess pages will be made invisible and thus disregarded by the evaluators.

⚠️ Please do NOT delete any instructions in the document. The overall page limit has been raised to ensure equal treatment of all applicants.
ADMINISTRATIVE FORMS (PART A)

Part A of the Application Form must be filled out directly in the Portal Submission System screens.
DESCRIPTION OF THE ACTION (PART B)

COVER PAGE

Part B of the Application Form must be downloaded from the Portal Submission System, completed and then assembled and re-uploaded as PDF in the system.

Note: Please read carefully the conditions set out in the Call document (for open calls: published on the Portal). Pay particular attention to the award criteria; they explain how the application will be evaluated.

1. RELEVANCE OF THE PROPOSAL IN RELATION TO THE OBJECTIVES OF THE CALL

1.1 Relevance of the proposal in relation to the objectives of the call:
Applicants should explain how the general and specific objectives of the proposed action will contribute to the objectives and expected results of the call for proposals, as explained in point 2.1 of the call for proposals. This should include increasing the number of citizens joining the together.eu community as well as reflecting the priority communication subjects of the EP (explained in point 2.2 of the call for proposals), in particular as regards the 2024 European elections.

2. QUALITY OF THE PROPOSAL

2.1 Quality of the proposed action and its objectives/deliverables
Applicants should describe the proposed action in line with point 2.5 of the call for proposals. They should detail as appropriate the general concept and objectives behind the planned activities and deliverables, the choice of intended audience and the means to ensure maximum outreach, the integration with the together.eu platform, the means to maintain political pluralism (including the possible involvement and proposed participation of MEPs from all European political groups), the means of giving visibility to the EP, the use of innovative or creative communication formats, and envisaged follow-up actions.
2. 2 Quality of the proposed methodology for carrying out the action

Applicants should explain the methodology they will follow in order to meet the purpose of the action, including a description of the proposed implementation team and its internal organisation (how the roles and responsibilities of the team are distributed for each task, global allocation of time and resources to the project and to each task), as well as the detailed timetable of the planned activities. They should also explain how this timetable would respect the envisaged timeline of the EP EE24 information campaign (set out in point 2.2 of the call), the ways and means envisaged for cooperating with the EPLO (in line with points 2.4 and 2.5 of the call), as well as means of efficient monitoring and evaluating the implementation of the action against the set key performance indicators.
# 3. COMMUNICATION AND OUTREACH

## 3.1 Quality and detail of the communication actions

Applicants should describe the communication actions they intend to carry out in support of the proposed project before, during and after the event (in line with point 2.5 of the call for proposals), taking into account the EP’s communication plan, objectives and branding.
