*: until 2017, the final grant is established in the second half of the year following the year when the maximum possible grant was established. Since 2018, if the funding amount is entirely spent in year N, the final funding amount is established at the closing of year N in N+1. If unspent funding is carried over to year N+1, at the closure of year N in N+1 is established the first part on the funding amount and in year N+2, after the evaluation of N+1 costs, is the second part of the funding amount established.

** : final funding amount: first part. The final total amount will be determined after 2021 closing procedure.

***: did not receive pre-financing

****: including, for the final grant, a correction approved in 2007 (ADIE), and in 2009 (EUD)

*****: renounced the 2009 grant

*****: does not receive funds from the EU budget anymore
