Council common position (12062/3/2004 – C6-0189/2004 – 2003/0184(COD))

The European Parliament rejects the common position.

Justification

In a statement for the Council's minutes, the Commission reaffirms its view that, in the light of Court of Justice case law and the criteria laid down in Article 4(2) of the regulation, the benefits concerned should not be included in Annex IIa, therefore reserving the right to apply to the Court of Justice. Pending definitive clarification by the Court, the common position should not be adopted.
