

AMENDMENT 5

by Caroline Lucas, on behalf of the Verts/ALE Group

Report

A6-0095/2005

Javier Moreno Sánchez

Doha Development Agenda

Motion for a resolution

Paragraph 17a

17a. Calls, therefore, on the Commission, in the forthcoming negotiations, to take up the matter of qualified market access in connection with the EU's prescribed standards for sustainable agriculture and thereby take account of non-trade-related matters such as working conditions, environmental protection and animal welfare, and to channel the resulting revenue into an international rural development fund which will enable the countries concerned to meet the required standards;

Or. de
