International rail passengers' rights and obligations

Proposal for a regulation (COM(2004)0143 – C6-0003/2004 – 2004/0049(COD))

Text proposed by the Commission

Amendment by Parliament

## Amendment 122

## Article 1, paragraph 2, subparagraph 1

This regulation shall apply to international journeys undertaken within the **Community where the international service is operated by a railway undertaking licensed according to Council Dir 95/18/EC.**

This regulation shall apply to international journeys undertaken within the **European Union and may also apply to passengers who board and alight at two stations on an international route between two geographically contiguous Member States.**

Or. en

*Justification*

*This enables a principal of subsidiarity to apply to National rail services and also removes the necessity for Member States with no contiguous land borders to be covered by this regulation and where there are no direct international services.*
