Paragraph 12

12. *Notes that Regulation (EC) No 1923/2006 of 18 December 2006 amending Regulation (EC) No 999/2001 laying down rules for the prevention, control and eradication of certain transmissible spongiform encephalopathies, recently adopted by the European Parliament and the Council, prohibits the feeding of animal protein to ruminants, but enables the Commission to grant derogations for feeding fishmeal to young ruminants, provided that such derogations are based on a scientific assessment of the dietary needs of young ruminants and follow an assessment of the control aspects;*
