Amendment 59

Article 5, paragraph 2 a (new)

The overall administrative expenditure of the programme, including internal and management expenditure for the Executive Agency referred to in Article 3(1a), should be proportionate to the tasks provided for under the programme and is subject to decision of the budgetary and legislative authorities.

Or. en

Justification

The appropriations allocated to the Executive Agency should comply with the provisions of the Code of conduct on the setting up of an Executive agency and Council Regulation No 58/2003 laying down the statute for executive agencies to be entrusted with certain tasks in the management of Community programs. This will ensure appropriate financing of the actions of the programme.
