EXPLANATORY STATEMENT

On 14 December 2006, Parliament adopted its position at first reading regarding the specific programme "Drugs prevention and information" as part of the General Programme "Fundamental Rights and Justice". In its common position forwarded to Parliament and in accordance with the agreement at first reading, the Council accepted Parliament's amendments, but rejected those concerning the possibility for Parliament to block Commission decisions on implementation, notably when annual priorities are chosen.

Following the adoption by Parliament on 11 July 2007 of its position at second reading with regard to the Council common position for adopting a decision of the European Parliament and of the Council establishing for the period 2007-2013 the Specific Programme "Civil Justice" as part of the General Programme "Fundamental Rights and Justice" (2005/0040(COD)) Council decided to apply the agreement reached between the Parliament, the Council and the Commission as regards the committee procedure in the case of the specific programme "Civil Justice" also to the specific programme "Drugs prevention and information" and amended its draft common position accordingly.

The common position to be announced in plenary on Monday, 3 September 2007, therefore already incorporates an amendment comparable to the one adopted by Parliament on 11 July 2007 with regard to the specific programme "Civil Justice". In order to ensure the launch of the specific programme "Drugs prevention and information" and the financing for the year 2007 as soon as possible, the rapporteur proposes that the committee approves the Council common position.

The rapporteur expects the Commission to confirm in plenary its commitment (expressed in recital 13 of the common position) to transmit the necessary information relating to the draft annual work programmes to Parliament. There will be a reference to the statement of the Commission in the legislative resolution as there has been a reference to the Commission's statement in the legislative resolution concerning the specific programme "Civil Justice" adopted by Parliament on 11 July 2007.
