Adaptation of the European Parliament's Rules of Procedure to the Lisbon Treaty  
2009/2062(REG)

**Parliament's Rules of Procedure**

**Rule 8**

*Present text*

Unless otherwise stipulated, the rules governing implementation of the Statute for Members of the European Parliament shall be *laid down by the Bureau*.

*Amendment*

Unless otherwise stipulated, the rules governing implementation of the Statute for Members of the European Parliament shall be *determined by Parliament without debate on the basis of a recommendation from the committee responsible*.

Or. en

*Justification*

*This amendment has been questioned on the grounds that it could be detrimental for Parliament to hold a public debate on delicate financial issues in committee and in plenary. However, the idea to make the decision subject to the authority of the plenary corresponds to the intentions of the authors of the statute. The authority of a majority decision taken in plenary would make it more difficult for Members to criticize the decisions taken.*
