Radioactive contamination of foodstuffs

COM(2010)0184 – C7-0137/2010 – 2010/0098(CNS)

**Proposal for a regulation**

**Article 6 – paragraph 2 a (new)**

*Text proposed by the Commission*

*Amendment*

***2a. Member States shall establish, in coordination with the Commission, a mechanism based on the polluter-pays principle for compensating farmers whose foodstuffs have been contaminated above the established maximum permitted levels and cannot be placed on the market.***

Or. en

*Justification*

*Compensation should be ensured for farmers which foodstuff has been contaminated in case of accident of radiological emergency. This mechanism should also ensure that farmers in a Member State be compensated even if the accident has occurred in another Member State.*
