**A7-0176/2011**

Proposal for a modification of the Act concerning the election of the Members of the European Parliament by direct universal suffrage of 20 September 1976  
2009/2134(INI)

**Motion for a resolution**  
**Paragraph 2**

*Motion for a resolution*

*Amendment*

***2. Proposes that an additional 25 MEPs be elected by a single constituency formed of the whole territory of the European Union; transnational lists would be composed of candidates drawn from at least one third of the States, and may ensure an adequate gender representation; each elector would be enabled to cast one vote for the EU-wide list in addition to their vote for the national or regional list; voting for the EU constituency would be in accordance with the closed list proportional system; and seats would be allocated without a minimum threshold in accordance with the D'Hondt method<sup>1</sup>; further, proposes that an electoral authority be established at EU level in order to regulate the conduct and to verify the result of the election taking place from the EU-wide list;***

***<sup>1</sup> The Sainte-Laguë method uses divisors of 1, 3, 5, 7, etc., and was used in the 2009 European elections in Germany, Latvia and Sweden. It produces a slightly more proportional result than the D'Hondt method.***
