EU budget support to developing countries
COM(2010)0586 – 2010/2300(INI)

Motion for a resolution
Paragraph 1

Motion for a resolution

Amendment

1. Welcomes the Commission's initiative through the Green Paper on budget support, which is aimed principally at promoting the development of partner countries from within, and calls for *the numerous types of undesirable development and the wastage of money which have been noted in recent years in relation to budget support at the expense of European taxpayers and which in most cases did not result in any penalties, to be exposed and in future also prevented by means of independent assessment and appropriate penalties (e.g. by means of a percentage deduction from future instalments)*;

1. Welcomes the Commission's initiative through the Green Paper on budget support, which is aimed principally at promoting the development of partner countries from within, and calls for *the budget support eligibility criteria to be clarified with a view to avoiding any loss of control over or misuse of this type of assistance, with due account being taken of factors such as the corruption index ratings for the countries concerned*;
