**Motion for a resolution**

**Paragraph 12 a (new)**

*Motion for a resolution*

*Amendment*

*12a. Notes that all main stakeholders have to commit themselves to properly enforcing the full implementation of Single Market legislation, whilst also ensuring that its social dimension is taken into account; recalls that the directive does not apply to labour law, nor does it affect Member States' social security legislation; considers that the deepening of the internal market in services should be seen as an opportunity to strengthen social welfare, workers' rights and decent working conditions for all EU citizens, including implementation of the principle of equal pay for equal work enshrined in Article 157 TFEU; considers as well that provisions on social protection and health and safety at work cannot be viewed as constituting disproportionate restrictions;*
