ANNEX TO THE LEGISLATIVE RESOLUTION

Statement by the European Parliament and by the Council on control rules in the area of product traceability and consumer information

As a follow-up to the reform of the Regulation on the common organisation of the markets in fishery and aquaculture products, the European Parliament and the Council invite the European Commission to submit to them a proposal aiming at amending the Control Regulation (Regulation (EC) No 1224/2009). Such amendment should take into account the need for regulating the provision of gear type information as regards products derived from wild capture fisheries.

The European Parliament and the Council also invite the Commission to adopt, in due time, the necessary amendments to the Commission Implementing Regulation (EU) No 404/2011 as regards the mandatory information to the consumer in order to take into account the provisions of this Regulation, the Control Regulation, as amended, and Regulation (EU) No 1169/2011 of the European Parliament and of the Council on the provision of food information to consumers.
