Tax rulings and other measures similar in nature or effect
2015/2066(INI)

Motion for a resolution
Paragraph 3 a (new)

Motion for a resolution
3a. Is concerned, however, by the proximity of tax authorities and private corporations in some Member States, which often leads to ad hoc rulings for private corporations that fail to protect the public interest by promoting tax avoidance; stresses the need to improve the independence of tax authorities from corporate interests, without jeopardising their political and democratic accountability to national governments and parliaments;
