Proposal for a directive
Article 8 - paragraph 6

Text proposed by the Commission

Amendment

6. In the event of a disruption of port services for which public service obligations are imposed or when an immediate risk of such a situation occurs, the competent authority may take an emergency measure. The emergency measure may take the form of a direct award so as to attribute the service to a different provider for a period up to one year. During that time period, the competent authority shall either launch a new procedure to select a provider of port service *in accordance with Article 7* or shall apply Article 9.
