Proposal for a regulation

Recital 1

Text proposed by the Commission

(1) Control at external borders *remains one of the main safeguards of the area without controls* at internal borders. *It* is carried out in the interest of all Member States. One of the purposes of such controls is to prevent any threat to the Member States' internal security *and* public policy, *irrespective* of the origin of such threat.

Amendment

(1) Control at *and protection of* external *and internal* borders *remain the most efficient way to guarantee Member States' long-term security. Border control at the external and* internal borders is carried out in the interest of all Member States. One of the purposes of such control is to *contribute to fighting illegal migration and human trafficking and to prevent, inter alia,* any threat to the Member States' internal security, public policy *and public health, irrespective* of the origin of such threat, *including where such a threat derives from Member States' citizens.*
