Recital 6 b (new)

Text proposed by the Commission

Amendment

(6b) Many applicants in need of international protection currently present in Greece and Italy cannot benefit from the relocation scheme as they fall under Regulation (EU) No 604/2013. Member States need to implement the right to family reunification under Regulation (EU) No 604/2013 quickly and fast-track vulnerable cases to enable them to be reunited with their family as soon as possible.
