Proposal for a directive**Article 1 – point 7**

Directive 2003/87/EC

Article 10d – paragraph 1 – subparagraph 1

Text proposed by the Commission

1. A fund to support investments in modernising energy systems and improving energy efficiency in Member States with a GDP per capita below 60% of the Union average in 2013 shall be established for the period **2021-30** and financed as set out in Article 10.

Amendment

1. A fund to support **and leverage** investments in modernising energy systems, **including district heating**, and improving energy efficiency in Member States with a GDP per capita below 60% of the Union average in 2013, **or in 2014, or in 2015**, shall be established for the period **2021-2030** and financed as set out in Article 10.
