Motion for a resolution

Paragraph 17 should read:

17. Is convinced that the only way to increase the Union's ability to fulfil its military tasks is to significantly increase efficiency with regard to all aspects of the process which generates military capabilities; recalls that, compared to the US the EU-28 spend 40 % on defence but only manage to generate 15 % of the capabilities that the US gets out the process, which points to a very serious efficiency problem;
