Proposal for a directive

Article 1 – paragraph 1 – point 4

Directive 2012/27/EU

Article 7a – paragraph 5 – point a

Text proposed by the Commission

Amendment

(a) shall include requirements with a social aim in the saving obligations they impose, including by requiring *a share* of energy efficiency measures to be implemented as a priority in households affected by energy poverty and in social housing;

(a) shall include requirements with a social aim in the saving obligations they impose, including by requiring *the majority* of energy efficiency measures to be implemented as a priority in households affected by *or at risk of* energy poverty, and in social housing. *For that purpose, specific measures should be implemented to facilitate and encourage participation of local energy communities, in particular those that are driven by social aims connected to the saving obligations.*

Article 1 – paragraph 1 – point 2

Directive 2012/27/EU

Article 3 – paragraph 4 a (new)

Text proposed by the Commission

Amendment

4a. With the objective of achieving the ambitious energy efficiency target, financial barriers should be removed. Therefore, public investment in energy efficiency shall not be considered to be a public deficit as established by the Treaty on Stability, Coordination and Governance in the Economic and Monetary Union.
