**Motion for a resolution****Paragraph 69***Motion for a resolution**Amendment*

69. Calls on the Commission to simplify and harmonise the rules governing the use of financial instruments in the next MFF *in order to maximise* their efficient application; takes note of a possible proposal, which would require a thorough discussion, for a single fund that would integrate financial instruments at EU level that are centrally managed; is of the opinion that a clear structure should be provided for the choice of different types of financial instruments for different policy areas and types of actions and that the relevant financial instruments should continue to be budgeted under separate budget lines, in order to provide for clarity of investment; underlines, however, that any such harmonisation of rules cannot affect the financial instruments managed by Member States under cohesion policy or in the field of external actions;

**A8-0048/2018****Motion for a resolution****Paragraph 105***Motion for a resolution*

105. Emphasises that appropriations for external action should be significantly increased if the Union is to play its role in the framework of its global strategy and of its enlargement, neighbourhood and development policies, as well as in addressing emergencies; expects the next MFF to reflect the unprecedented needs of the southern and eastern neighbourhood countries that are struggling with conflicts and the consequences of the challenges presented by migration and refugees; calls for higher appropriations to be allocated to address the growing need for humanitarian aid arising from natural and manmade disasters, avoiding any gap between commitments and payments; believes that it is necessary for the Union to increase funding to the UN Relief and Works Agency for Palestine Refugees in the Near East (UNRWA);
