COM(2017)0772/2 – C8-0409/2017 – 2017/0309(COD)

A8-0180/2018

Proposal for a decision

Article 1 – paragraph 1 – point 16

Decision 1313/2013/EU

Article 26 – paragraph 2

Text proposed by the Commission

2. Synergies and complementarity shall be *sought* with other instruments of the Union such as those supporting cohesion, rural development, research, health, as well as migration and security policies. In the case of a response to the humanitarian crises in third countries the Commission shall ensure the complementarity and coherence of actions financed under this Decision and actions financed under Regulation (EC) No 1257/96.

Amendment

2. Synergies and complementarity *and increased coordination* shall be *developed* with other instruments of the Union such as those supporting cohesion, *including the European Union Solidarity Fund*, rural development, research, health, as well as migration and security policies, *without entailing the reallocation of the funds from those areas*. In the case of a response to the humanitarian crises in third countries the Commission shall ensure the complementarity and coherence of actions financed under this Decision and actions financed under Regulation (EC) No 1257/96, *whilst respecting the distinct and independent nature of the actions and their funding, and ensuring that they are in line with the European Consensus on Humanitarian Aid. The final say in the use of national experts shall, however, remain with the Member State concerned.*
