**Motion for a resolution**

**Paragraph 100**

*Motion for a resolution*

100. Calls on the Member States to *better implement the authorisation procedures at national level in order to limit the derogations and extensions granted under Article 53 of the Regulation to actual emergency situations; calls on the Member States to strictly apply Article 53 of the Regulation, to only accept and examine completed applications for derogations, and to only submit completed notifications of derogations to the Commission and other Member States;*

*Amendment*

100. Calls on the Member States to *strictly apply legal deadlines with regard to the elements of the authorisation of plant protection products in general, and particularly with a view to minor uses; underlines that better adherence to legal deadlines should contribute to reducing the need for emergency authorisations* under Article 53;
